Subject: Request for Retitling of Certificate of Deposit (CD) in the Amount of \$5,000.00,
Robert D. Drachuk, MINERAL FOSSIL LEASE 42750, M0270014, Millard
County, Utah

Dear Mr. Drachuk:

The Division recently received the signed and notarized reclamation contract for this mine site. However, there has been no information received regarding the re-titling of the CD, the associated certificate of deposit letter agreement and bank issued administrative hold letter. In a prior telephone conversation with Beth Ericksen, this re-titling requirement was discussed.

If you require assistance on how to proceed, please contact Beth Ericksen via telephone or email, (801) 538-5318 or bethericksen@utah.gov. You may ask your bank, Wells Fargo, to contact Beth as well. In the event you have already initiated this process, please ensure bank contact is maintained so this effort can be completed in a timely manner.

Division approval of the reclamation surety cannot occur until these final steps are taken and the CD re-titling action is complete. The Division will take no further review action of the reclamation surety documents until the above requirements are addressed.

If you have any questions or require assistance, please contact Surety Coordinator, Beth Ericksen (801) 538-5318. Thank you in advance for your prompt attention to this important permitting requirement.

Sincerely,

Susan M. White
